DIPLOMATE OF PERIODONTOLOGY AND IMPLANT SURGERY

90 PARK ST | MONTCLAIR | 973-744-1555 | CONTACT: INFO@HARTNETTPERIO.COM

ANNE C. HARTNETT, DDS BRINGS MORE THAN 30 YEARS OF EXPERIENCE TO THE SPECIALTY OF PERIODONTICS AND IMPLANTS. She has been named a top dentist because she combines her extensive surgical experience with the latest minimally invasive techniques. Dr. Hartnett treats adult and pediatric patients, always striving to calm and comfort them.

Dr. Hartnett offers a full range of periodontal procedures including implants, scaling and root planing, crown lengthening, pocket depth reduction and bone and gum grafting.

She performs minimally invasive gingival grafting using microsurgical instruments to augment gum tissue around teeth and implants. Digital x-rays and 3D cone beam technologies are mainstays of the practice.

Dr. Hartnett is board certified in both periodontology and implants. She is an attending physician at Mountainside Hospital where she teaches dental residents.
